

## DISTRICT I

# *Do You have a* **VOLUNTEER OPPORTUNITY** *for your FACILITY?*

Do you have a facility that needs a landscape face lift, fresh paint, small repairs or other handyman repairs?

This can be a rehab facility, long term care facility, or any of your facilities that need volunteer manpower to spruce things up. We would like to focus on those facilities that may have some financial restraints and that could benefit from a day of free labor.

Please reach out to Clarence Jones [Clarence.Jones@atriumhealth.org](mailto:Clarence.Jones@atriumhealth.org) and Bryant Cornett, [Bryant.Cornett@atriumhealth.org](mailto:Bryant.Cornett@atriumhealth.org) with your needs and they will prioritize the needs and volunteers for scheduling. The facility selected for this first event will be the one where we can make the biggest impact.

*We would like to create a volunteer opportunity day for our NCHEA District I members similar to a habitat for humanity day. We are so excited about this opportunity to volunteer our NCHEA Members to assist in making a small difference in the pursuit of ensuring ALL North Carolina Healthcare Facilities provide the best environment for our communities.*

*If you have any questions or need additional information, let us know. Please feel free to share this with other healthcare engineers that may be interested. We can't wait to get an event scheduled!*

**Clarence Jones, CHFM**  
District I Chair  
Atrium Health  
[Clarence.Jones@atriumhealth.org](mailto:Clarence.Jones@atriumhealth.org)

**Jay Miller, CHC**  
District I Vice Chair  
CaroMont HealthCare  
[Jay.Miller@caromonthealth.org](mailto:Jay.Miller@caromonthealth.org)

**Bryan Cornett, PE**  
District I Secretary/Treasurer  
Atrium Health
