

CHFM/CHC CLASS & EXAMS

Our recent NCHEA sponsored CHFM (Certified Healthcare Facility Manager) and CHC (Certified Healthcare Constructor) exam prep classes held in Concord on September 29 and 30 were well-attended by both full and associate members. We had a total of 41 members who checked in out of 50 who signed up. One of the 2022 goals was to increase the number of NCHEA members who have the designation of CHFM and CHC. This is a prestigious certification and one that takes experience and knowledge in the related field. The NCHEA theme this year was around meaningful educational offerings, and this event is an example of the successful year we've had in all the districts and at our Spring Seminar and Annual Conference.

Attendees at this event took advantage of the investment the districts and association made on their behalf to offer these classes and exams. There were 27 members who took either one or both of the exams. The CHC had a pass rate of 92% and the CHFM pass rate was 53%. These results are something we can all be proud of.

Please offer your congratulations to the following NCHEA members who are our newest CHFM and CHC designees.

MIKE COOKE CHFM CHE CHC
2022 NCHEA President
Cone Health - Wesley Long Hospital

Current list at time of printing

First Name	Last Name	Organization	Exam
Joshua	Anderson	Dewberry	CHC
